Sustainable fjord experiences

Rødne aims to run the most environmentally friendly operations possible. By contributing to greener fjord tourism and minimizing noise and emissions from our boats we give our guests a sustainable fjord experience of the highest quality. Groundbreaking battery-powered 'MS Rygerlektra' is our newest and greenest investment. Sailing in near silence through magnificent fjord landscapes takes the adventure to a new and unique level!

Your hike starts and ends here. **Enjoy your adventure!**

You made it! **You've earned bragging rights! :-)**
